COMPREHENSIVE FLORY HARVEST EQUIPMENT SERVICE INSPECTION

250+ inspection points. One actionable report. Our factory-trained technicians help identify wear, safety concerns, and potential failures before they cause costly downtime.

OUR INSPECTION INCLUDES

- + Engine, transmission & powertrain
- + Hydraulic systems & leak checks
- + Electrical & technology components
- + Chassis, steering & structural components
- + Operator controls & safety systems
- + Machine-specific wear components
- + Fluid condition inspection
- + Tire, wheel & track condition

EVERY INSPECTION INCLUDES

- + Digital report with photos of findings
- + Equipment health & prioritized repair recommendations
- + Wear evaluation & maintenance planning support
- + Repair estimates available upon request

Stockton Service | (209) 395-0191

1120 West Charter Way, Stockton, CA 95206

FREE IN-SHOP INSPECTION*

With repairs totaling 2x the inspection cost.

*15% off labor and 10% off parts apply to suggested repairs from inspections booked before 12/31/2026 and completed by 06/30/2027. Pricing is per piece of equipment. Inspection is free when you spend 2x the inspection cost on parts and labor; in-shop only. Transportation and on-site service are available but excluded. 180-day no-payment, no-interest financing is subject to approved credit on a Multi-Use Account™, a service of John Deere Financial, f.s.b. No down payment required. After the promotional period, interest charges will begin to accrue at the regular Multi-Use Account™ rate. For agricultural/commercial use only. See Belkorp Ag for complete details. Some restrictions may apply. Current offer details at belkorpag.com.
